

Ice Crusher

Commercial Ice Crusher

Brand Name: STAR

Product Name: Ice Crusher

Dimension (L*W*H): 220*280*360cm

Weight: 5.5kgs

Material: Aluminum alloy + stainless steel

Power: 300W

Capacity: 100Kg/h

Warranty: 1Year

Origin: China

Description:

Heightening Ice Outlet: Higher crusher body and elbow give the machine better aesthetics while allowing more space for containers like goblets, cups, bowls, etc.

High Efficiency: It adopts double Stainless Steel shaving blades, which greatly increases the crush efficiency and meets the demand of commercial use.

Copper Core Motor: Pure copper high-frequency motor with a speed of up to 1400R / MIN, which provides strong power for the operation of the ice crusher, the thermal protection device is more effectively protected.

Safe: Splash-proof protective cover at the ice outlet; safety limit protection switch; 3D lattice design under the cover and for prevent splashing and speeding up the shaving.
